

## Heard and Helped

### Daniel 10

Ben McEachern, Lead Pastor

Weekend of March 6-7, 2021

### NorthRidge Value of the Week

**Relevance** - We value being culturally relevant while being true to God's teaching.

### Sermon Summary

The battle is bigger than you know. God is moving sovereignly, graciously and with amazing patience and gentleness. You may even call him meek. And he never loses sight of his people or fails to hear their prayer. This week we remember that we are not lost to our Sovereign God.

### Discussion Questions

What were you doing this week one year ago?

How has the past year shaped you're your life:

Today? In the immediate future? In the future as far as you can see it?

On a scale of 1-10, how would you rank your trust in God's power vs. this time last year?

### **READ Daniel 10**

What are some of the main things that jump out to you in this passage?

How does this passage make you view God's power?

There is a bigger battle going on than the one we can see with our own eyes.

### **READ Ephesians 6:11-12**

How can this passage help us view the circumstances in our life in a different way?

**1 John 4:4** says, “You, dear children, are from God and have overcome them, because the one who is in you is greater than the one who is in the world.”

Let this encourage you today!

For personal application this week, consider this “assessment” derived from Daniel 10:

**My Confidence:** Do I believe God is as terribly great and terrifyingly powerful as He is?

**My Dependence:** Am I as dependent as I should be in order to allow Him to touch my life with His power?

**Engagement:** Am I praying?
