Weekend of April 11-12, 2020

NorthRidge Value of the Week

Knowing God - We value a love relationship with God, as the most essential need of life.

Sermon Summary

Death is not the end. Life wins. There is hope. The resurrection of Jesus from the dead has opened a door for us into an eternal hope. There is a hope that is beyond the grave. To have this hope infuses life now with purpose and meaning that circumstances cannot take away because our life, like our hope is eternal. Join us this Easter as we celebrate our living hope.
