NorthRidge Value of the Week

Relationships - We value working together in unity as a team, with honest, healthy and loving relationships.

Sermon Summary

Are you trustworthy? I suppose that question could be taken as an insult. But I have noticed that the trustworthy don't mind. They are focused on proving it every day any way. The payoff is great. That's why our good God wants to cultivate the Spirit's fruit of faithfulness in our lives.

Discussion Questions

Do you have a go-to motto or saying? You know, a simple statement that you recite from time to time. Share it. When, where, and why did you start saying it?

Do you have a person in your life that you think of when you think about the word faithfulness? What have they done that has made them so faithful to you?

READ Luke 19:11-27

Discuss this passage. In light of Pastor Ben's sermon, what you understand this passage to mean?

Okay, Ben challenged us to discuss verse 27. It's a difficult one. What do you think?

Is Jesus being literal here, or simply trying to hammer His point home?

If you're unsure about Jesus' love and faithfulness, immediately following this story, we read about the Triumphant Entry -- Jesus entering Jerusalem in the beginning of the events that we refer to as Holy Week. We remember how that week played out and

how Jesus shows His ultimate display of love on the Cross. Consider this as you pray for one-another to close out your group time!

Memory Passage

Jeremiah 17:7-8 - “But blessed is the one who trusts in the LORD, whose confidence is in him. They will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit.”
