

The Worship Gene

Jeremiah 9:23-24; Ezekiel 36:24-27;
Philippians 3:7-11; Colossians 4:2-6
Weekend of September 19-20, 2020

NorthRidge Value of the Week

Knowing God - A love relationship with God, as the most essential need of life.

Prayer - Prayer, as essential to bring about spiritual change.

Sermon Summary

It's at the heart of what Jesus came to do. It's the purpose of rebirth. We are now alive to God and fitted for a relationship with him. Our fellowship is marked by a single-minded pursuit to know God and be in conversation with him. It's what we are made to do. This week we discover the worship gene.

Discussion Questions

What is your favorite memory about elementary school?

If you are a follower of Christ, share quickly (1 minute or less) how you came to know Him?

In what ways do you tend to regularly see/feel/experience God's presence? (Through worship music, reading Scripture, in prayer, in nature, in solitude, etc.)

Is there a particular verse or passage that has sustained you throughout your time of following Him?

Ben shared 3 ways that ReBorn people are positively passionate about God:

1. Daily Connection
2. Weekly Fellowship
3. Regular Mission

Work through these 3 things. Where are you in your journey with Jesus regarding each of these?

How can the group pray for you to keep these things vital in your life?

Memory Passage

Colossians 4:5-6 – “Be wise in the way you act toward outsiders; make the most of every opportunity. Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone.”
