

The Template of History

Daniel 7

Ben McEachern, Lead Pastor

Weekend of February 13-14, 2021

NorthRidge Value of the Week

Service - We value serving God and each other, especially through the local church in the local community.

Sermon Summary

Don't know if you noticed but the world is a little crazy. And it will continue to be. World events, wars, unrest, the plans and actions of powerful nations and people all scream, either "We are in control!" or "It's all out of control!" But we are not as powerful as we think. There is One who moves history to his end. This week He shows us His template for history.

Discussion Questions

Do you have a favorite *apocalyptic* movie/book/story? (i.e Book of Eli, Terminator, War of the Worlds...)

READ Daniel 7

As Ben mentioned in his sermon, this is an Apocalyptic style of writing, much of it being figurative, not literal (it was a dream after all), in order to give an illustration into the glory and majesty of God and His authority. With that in mind, move through the set of questions in light of this passage.

What does this passage say about God's character and nature?

What does this passage teach us about the human condition? Give some examples from the passage.

Does this passage create any desire to change something about how you live your life?

What would be the benefit if you make this change? What is at stake if you don't?
