OUR LOCAL COMMUNITY

[Rogers](#) is a growing, family-oriented suburban community in northwest Hennepin County, located approximately 25 miles Northwest of downtown Minneapolis along the I-94 corridor. Once a small rural town, Rogers has experienced steady growth over the past two decades and continues to attract young families drawn to its strong schools, safe neighborhoods, and community-focused culture. Located on Main Street in the heart of the city, our church is uniquely positioned to serve and reach our community.

OUR YOUTH MINISTRY

Kids and youth have been central to NorthRidge Fellowship since our launch over 25 years ago. We believe students are vital to the life and mission of the church, and our ministry is focused on helping them meet, know and follow Jesus. Our youth program includes Sunday morning Bible classes for middle school and high school students (averaging 50 students each week), along with a weekly Wednesday night program that draws 75–85 students through worship, teaching, and small groups led by a committed team of about 25 adult volunteers.

THE OPPORTUNITY

The Youth Pastor position at NorthRidge Fellowship is an opportunity for an energetic servant-leader to build on a strong ministry with significant potential for growth. The ministry has a firm foundation with a dedicated core group of volunteers and a church culture and legacy focused on raising up young Christ-followers. We see tremendous opportunity to reach many more youth with the love of Jesus – some from within our congregation who are not yet engaged, and others within our reach as we draw from several area school districts.

If called and hired to serve in this Youth Pastor role, you will thrive if:

- You model what it looks like to follow Jesus
- You have a heart for helping young people meet, know, and follow Jesus
- You desire to pastor, support, and lead a team of volunteer adult leaders
- You are passionate about mentoring and developing student leaders
- You are a strong communicator and coordinator
- You are excited to engage youth in the life and mission of the church
